RE: Red Rose Intersection Update

We have had a number of inquiries regarding the intersection. Our project (not to be confused with the Woodview Road detour which is LONDON GROVE TOWNSHIP'S) involves the improvement of the intersection of Route 796 and W. Baltimore Pike at the Red Rose Inn. The project construction is kicking off on Monday, February 11, 2019. We are having a press event in the morning so that information may be disseminated via the newspapers. Please stay tuned for more information regarding phasing.

In essence, our project is a phased improvement project which will involve no detours or road closures. If lane closures occur, there will be flaggers to facilitate that. The intersection project should be completed around August of 2019.

While there may be minor inconveniences on occasion, it is our hope that the improvement project will make those inconveniences worthwhile resulting in a safer and more efficient intersection for years to come.

Thank you for your patience and support. Please feel free to direct any questions to us at office@penntownship.us. For emergent information, you can always check our Facebook page or tv channels -- FIOS channel 36 and Xfinity channel 966.

Thank you,

Penn Township, Chester County
